# EXISTING INDUSTRIES

Hancock County, Kentucky

The Hancock County Industrial Foundation is committed to our existing industries and businesses, their suppliers, and the many employees of Hancock County and the surrounding areas. While attracting new companies to the area is a significant focus, we recognize the foundation of our community lies in the health, success, and growth of our existing companies.

Hancock County Industrial Foundation, PO Box 580, Hawesville, KY 42348 • 270-313-6719
